SARGE'S

ANIMAL RESCUE FOUNDATION

Thank you for your interest in Sarge's Bequest Program!

Who We Are

Sarge's works hard to save Haywood County's rescue cats and dogs from euthanasia. We place them in permanent, loving homes. Sarge's is a 501(c)(3) nonprofit. Our goal: end the euthanasia of our local adoptable and treatable cats and dogs in Haywood County.

Sarge's Animal Rescue Foundation's nonprofit mission is increasing the Haywood County save rate for rescue cats and dogs. We spend an average of \$200 of care on each animal before placing them for adoption. Sarge's also subsidizes adoptions at the Haywood County Animal Shelter to lower fees to adopt dogs and cats. We believe in outreach and education for the public.

How Can You Help

Where there is a will, there is a way! Leaving a bequest to Sarge's supports our mission far into the future. You can make a difference in the lives of Haywood County dogs and cats when estate planning by considering leaving a portion of your estate to Sarge's Animal Rescue Foundation.

The Beauty of a Bequest

Bequests are powerful and thoughtful gifts that can express your legacy. The choice to make, alter, or remove a bequest stays with you as you navigate financial planning decisions and your future.

What will your legacy be? What will your story be?

Bequest Appreciation Story

Bill Worfolk was a volunteer and supporter of Sarge's during his life. After he passed away in March of 2015, we received a phone call about his generous remembrance of Sarge's. He left us financial assistance stemming from the sale of his house. The recognition and support Bill offered us posthumously allowed us to improve our yard for the dogs and add and furnish a free roam cat space to our cattery. We miss Bill. His generosity after his death was a reflection of his dedication to saving the lives of animals during our time with him.
